SÖNMEZ MAKİNA
EQUIPMENT & SYSTEMS
FOR LPG BOTTLING PLANTS

ABOUT US

Sönmez Makina was founded on 1974 in İstanbul, Turkey. The company's main field of business is manufacturing refilling & maintenance equipment for LPG cylinders, establishing turn key storage & bottling plants for LPG. From 1974 to 1984, Sönmez Makina mostly produced spare parts for automotive industry. Starting from the year 1984, Sönmez Makina turned its activities into LPG sector and gained worldwide experience, custom's pleasure and confidence since that time.

Sönmez Makina had established, modified and maintained many filling plants in all around Turkey. Beginning from the year of 1999 Sönmez Makina had started to export its products & services worldwide.

ELECTRONIC FILLING MACHINES

Electronic Filling Scale For Domestic Cylinders

Electronic Filling Scale For Industrial Cylinders

Electronic Filling Scale For Both Domestic & Camping Cylinders

Atex Certificate For Electronic Filling Scales

Type Approval (CE) Certificate For Electronic Filling Scales

CAROUSEL PLANTS

Carousel of 18 Scales (D=4600mm) Equipped With 10 Filling Scales

Carousel of 24 Scales (D=5800mm) Equipped With 24 Filling Scales

Carousel of 18 Scales (D=4600mm) Equipped With 18 Filling Scales

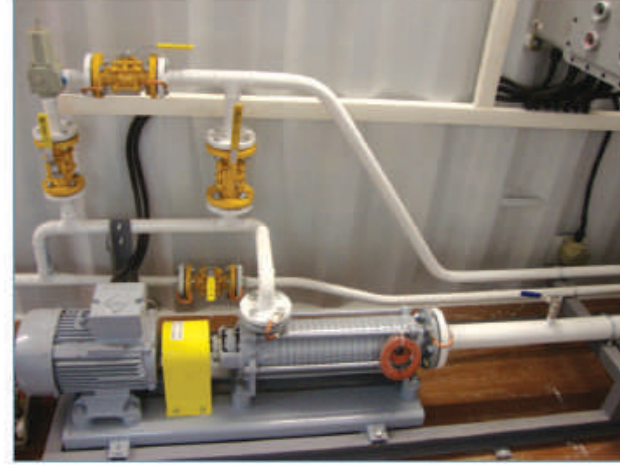

Carousel of 36 Scales (D=8000mm) Equipped With 36 Filling Scales

CONTAINER PLANTS

20 Foot Container Filling Hall

Side Channel Multistage LPG pump Installed In 20 Foot Container Filling Hall

Mechanical Model Filling Scales Installed In 20 Foot Container Filling Hall

View of Container Filling Plant Equipment

LPG Storage Tanks With Fire Water Sprinklers For Container Filling Plant

SKID PLANTS

Skid Filling Plant With Two Filling Scales Installed In Steel Cabinet

One Mechanical + One Electronic Filling Scale In Steel Cabinet For Skid Plant

Skid Plant With 5MT Storage Tank Equipped With Fire Water Sprinklers

Skid Filling Plant With 5MT LPG Storage Tank

Skid Plant With 2MT LPG Storage Tank & Three Mechanical Filling Scales

Steel Cabinet For Filling Scales

Skid Plant Piping Network With 10 MT LPG Storage Tank & LPG Pump

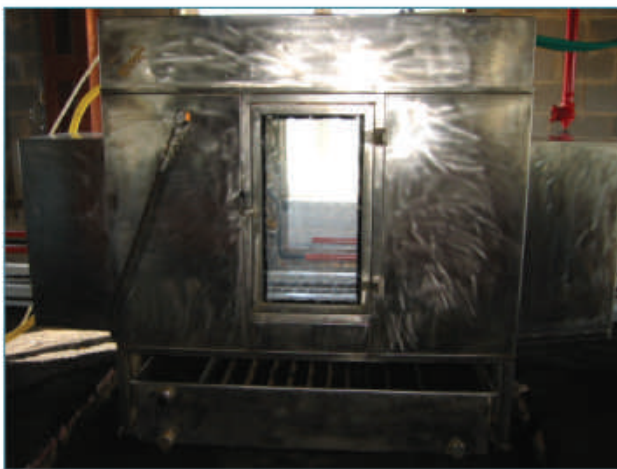

CYLINDERS PREPARATION AND CONTROL EQUIPMENT

Inline Cylinders Washing Cabinet Made of Stainless Steel

Inline Automatic Cylinders Painting Machine

Inline Cylinders Washing Cabinet With High Pressure Water Pump

Cylinders Painting Cabinet With Paint Solvents Drying Tunnel

Inline Automatic Cylinders Drying Machine

Cylinder Painting Cabinet With Semi Automatic Painting Machine For Industrial Cylinders

Cylinders Painting Cabinet With Automatic Painting Machine

Telescopic Conveyor For Cylinders Unloading&Loading Operations

Inline Automatic Leak Check Pool For Cylinders & Valves

Inline Automatic Paintig Machine For Domestic Cylinders

Telescopic Conveyor With Self Driving Unit

Inline Automatic Thermo Shrink Machine For Cylinder Valves

Manual Thermo Shrink Machine For Cylinder Valves

Mobile Telescopic Conveyor

Telescopic Conveyor

Mobile Liftable Telescopic Conveyor (In Slope Position)

Mobile Liftable Telescopic Conveyor
(In Horizontal Position)

Inline Automatic Electronic Valve Leak Detection
Machine

CYLINDERS RECONDITIONING AND MAINTENANCE EQUIPMENT

Semi Automatic Evacuation Unit For Leaky Cylinders

Multipoint Evacuation Unit For Leaky Cylinders

Manual Valves Changing Unit

Hydrostatic Pressure Test Machine For Domestic
Cylinders (8 Posts)

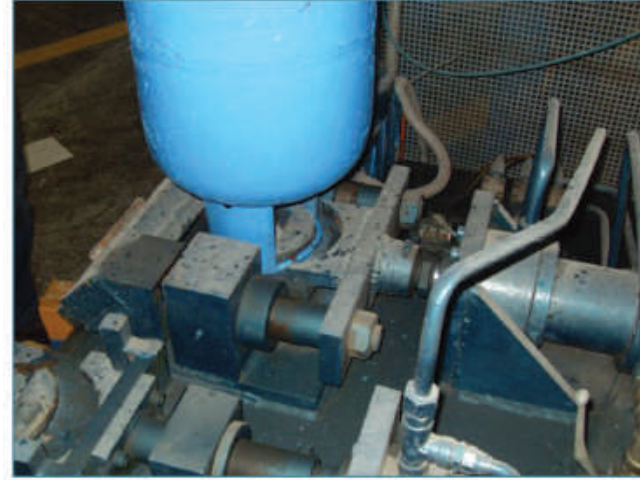

Hydrostatic Pressure Test Machines For
Domestic & Industrial Cylinders

Semi Automatic Hydraulic Operated Valve
Changing Machine

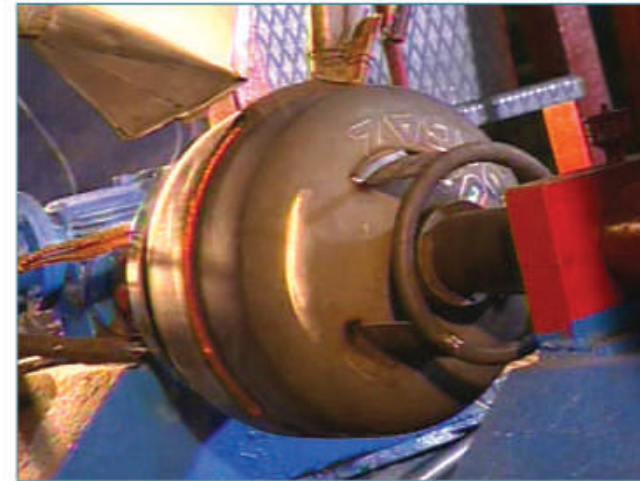

Hydraulic Operated Cylinders Foot Rings
Straightening Machine

Hydraulic Operated Cylinders Handles
Straightening Machine

Cylinders Dents Removing Machine

Cylinders Round Welding Machines

LPG PUMPS, LPG COMPRESSORS AND PIPING NETWORKS

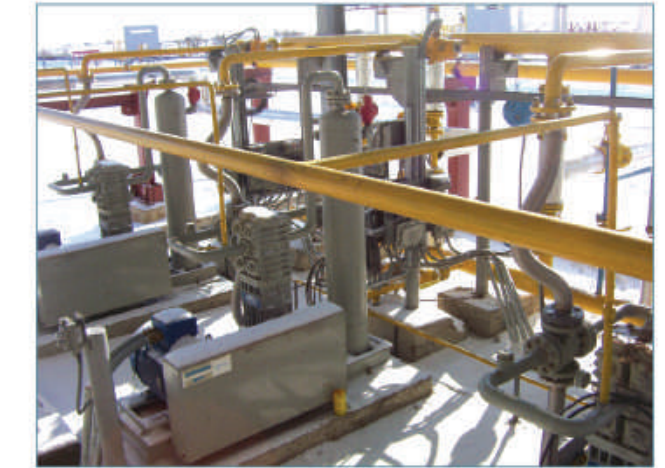

LPG Pumps & LPG Pumps House Piping Networks

LPG Pipeline Installations

LPG Bulk Transfer Pumps and Pipeline Networks

LPG Compressors & Pipeline Networks
